**FOR IMMEDIATE RELEASE**

**WAIKIKI, HAWAII – September 18, 2014** – The award-winning SpaHalekulani has partnered with wellness industry pioneer and Jurlique founder, Dr. Jurgen Klein, to carry his JK7® Luxurious Natural Skin Care products and offer the special *Signature Euphoria Facial*.

JK7® Luxurious Natural Skin Care is an herbal based, organic, high-performance, scientifically backed skin care line designed to stimulate seven senses – sight, sound, touch, smell, taste, equilibrium and synergy. Until now, the JK7® products could only be experienced at Dr. Klein's very own Sullivan Estate & Retreat, the world's first holistic anti-stress center, located on Oahu's North Shore. SpaHalekulani is the only other location to offer this extraordinary experience derived from Dr. Klein. The collection of JK7® Luxurious Natural Skin Care products range from \$145 - \$1,800 and are available for purchase at the Spa.

"The JK7® Luxurious Natural Skin Care products are made with anti-oxidant, anti-aging and longevity boosting extracts not found in any other product on the market," said Kamala Nayeli, Director of SpaHalekulani. "Dr. Klein's philosophies perfectly align with SpaHalekulani's commitment to sustainability, quality, and holistic approach to delivering the ultimate experience for well-being. We're very excited to be the first Spa to debut this unrivaled collection of products and introduce our *Signature Euphoria Facial*. We've worked closely with Dr. Klein to launch this unique skin care experience that is designed to achieve overall well-being and a state of *euphoria*."

Priced at \$345, the 90-minute *Signature Euphoria Facial* incorporates a total of 20 products from the JK7® collection to attain ultimate balance on a cellular level. Special techniques are applied by a SpaHalekulani therapist to ensure guests reap the benefits of Dr. Klein's signature skin care line, made of completely natural essential oils and herbal extracts. The Facial concludes with a refreshing Le Mint beverage on the spa terrace and a scented candle to keep as a memento of the *euphoric* experience.

Consistently recognized for its innovation and unrivaled services, SpaHalekulani incorporates authentically crafted Polynesian therapeutic rituals with today's purest products and proven techniques. The Forbes-rated, Four Star Spa offers a full menu of rejuvenating massages, body and facial therapies, and hair and nail care services. Facilities feature seven relaxation suites, including two tandem rooms, steam showers, therapy beds and an outdoor relaxation area.
