

SpaHalekulani Celebrates the Holiday Season with Exclusive Spa Specials

NEWS RELEASE

WAIKIKI, HI – November 26, 2013 – [Halekulani](#), the famed Waikiki beachfront hotel, and its award-winning SpaHalekulani are helping travelers put their best face forward with a variety of spa specials, available throughout the month of December. Featuring ingredients to promote healthy, smooth, and younger looking skin, guests of SpaHalekulani have an opportunity to pamper themselves just in time for the holidays with a selection of treatments including:

Kashmir Spice Facial:

The warm aromatic spices of autumn are the inspiration for this facial, which starts with an application of pumpkin apple peel on cleansed skin. This is the perfect treatment for addressing acne, hyper-pigmentation, fine lines, and wrinkles because pumpkin is known to be the highest ingredient source of natural vitamin A, along with containing over 100 other beneficial vitamins and phyto-nutrients. The Malic Acid in pumpkins is an Alpha Hydroxy Acid, which has been shown to promote smoother, younger looking skin by increasing the rate of cellular turnover and renewal. Skin will feel noticeably softer by digesting the dead skin cells, decongesting the pores, and revealing a fresh glow.

It continues with a Fine Herbal Facial Scrub consisting of Cinnamon, Nutmeg, and Clove. Colloidal clay is blended to promote circulation and detoxification, while Shea Butter and Zinc soothe and quench dry skin. Epicuren®'s most advanced and potent age-fighting antioxidant and phyto-nutrient serums are layered to achieve a brilliant radiance that will last through the blustery autumn months.

A Kashmir Spice Aromatherapy Emulsion massage on the face, neck, and shoulders features clove, vanilla, orange, and patchouli essential oils to relax. *\$185 for 50 minutes*

Spiced Body Detox:

The **Spiced Body Detox** exfoliates, soothes, and refines the skin with a rich aromatic Herbal Spice Scrub to refine the skin, followed by an Aromatherapy Emulsion application of Clove, Vanilla, Orange, and Patchouli essential oils. A private steam shower helps soften the skin so that it will better receive the effects of Epicuren®'s exclusive hand-blended Aromatherapy Emulsion. The Kashmir Spice scent features clove, vanilla, orange, and patchouli essential oils, which aid in calming and relaxation. It sets a beautiful tone to help combat the stresses of the holiday season! *\$225 for 50 minutes*

Combination facial and body treatment:

Guests are invited to combine both of these experiences. *\$310 for 100 minutes*

** All experiences include a complimentary Holiday Herbal Body Care Kit (retail value \$55).*

Each SpaHalekulani treatment begins with a Spa Salutation invigorating foot stimulation, and concludes with a relaxing tea and snack on the spa terrace. To make an appointment by phone call (808) 931-5322 or e-mail at spa.halekulani@halekulani.com.
